## INSURANCE CREDENTIALING *Services*

*Enrolling as a participating provider with the many different insurance companies can be a confusing and time-consuming process.* Incomplete applications, neglecting to attach required documentation or failing to respond to requests for additional information can all lead to delayed or denied applications, resulting in increased costs to the practice and delayed reimbursement for the provider. Partnering with **GLMS PROVIDER ENROLLMENT** can ease this administrative burden so you can focus on other tasks, saving the practice time and money.
