

Thank you HEALTHCARE HEROES

Medical workers and their families are invited to attend a special Mass for healthcare professionals on Sunday, October 16, 5:30 p.m. at the Cathedral of the Assumption.

HEALTHCARE HEROES

With special gratitude for the ongoing heroic efforts of medical workers, particularly during the COVID-19 pandemic, Archbishop Shelton J. Fabre invites healthcare professionals and their families to attend a special Mass on Sunday, October 16, 5:30 p.m. at the Cathedral of the Assumption (433 South Fifth Street, Louisville).

This Mass, traditionally known as the White Mass because of the white coats that physicians wear, is a Catholic liturgy. Invoking the blessing of Saint Luke, the patron saint of physicians, the Mass gathers doctors, dentists, nurses, psychologists, respiratory and physical therapists, and all who work in healthcare to ask God's blessing upon those who serve in this profession. A warm invitation is extended to persons of all faiths who serve in the healthcare field.
